EXPLANATION WANTED

Fulzer Seeks Information Regarding Duty on Russian Sugar.

PAGE'S CORRESPONDENCE ASKED FOR

Attempt to Rush Through the Senate The Bill to Revive Grade of Vice Admiral Headed Off by Pettigrew and Butler.

Washington, Feb. 19.—Congressman Sulzer (N. Y.) introduced in the house the following resolution: "Resolved, that the secretary of the treasury be and he hereby is requested to furnish the house of representatives, if not incompatible with public policy, copies of all letters to him from persons, firms, companies or corporations and of all letters from him to them or any of them, together with all reports, decisions and examinations, with his reason for the same, and all other data, facts and information in any way relating to the imposition of a tax or countervailing duty on Russian sugars imported to this country, and what action Russia has taken in regard thereto by way of retaliation."

The house adopted the resolution by Mr. Nappen (Mass.) asking the secretary of the treasury to inform the house if "our ports or waters" have been used for the exportation of horses, mules and other supplies for use in South Africa, and if so to what extent, and what steps have been taken to prevent the same; also the number of horses and mules that have been shipped since the beginning of the war in South Africa to the present time, giving the shipments from each port and the dates. A somewhat similar resolution of inquiry addressed to the secretary of state was adopted. The house then went into committee of whole and resumed consideration of the sundry civil bill.

In the Senate.
At the opening of the session of the senate, Mr. Hale, chairman of the committee on naval affairs, favorably reported from that committee a bill to revive the grade of vice admiral of the navy and authorizing the president to appoint two vice admirals from the list of active rear admirals of the navy. He asked immediate consideration for the bill. Both Mr. Butler (N. C.) and Mr. Pettigrew (S. D.) were on their feet instantly with objections. "Under the objection," said Mr. Hale, "the bill will go to the calendar. I give senators notice that as soon as practicable I will call up the bill. If anything is to be done it should be done within a few days in order that it may have consideration by the house of representatives and the president. If it be delayed long it will fall by the wayside and nothing will be done."

The senate took up the conference report on the military academy appropriation bill. Considerable opposition developed to the provision of the report, which debars a cadet convicted of hazing from ever holding a commission in the army or navy.

Senator Depew reported favorably from the committee on expositions the house bill for the Louisiana Purchase exposition at St. Louis.

Old Bone of Contention.
Washington, Feb. 19.—The senate committee on naval affairs agreed to report favorably all nominations of naval officers for advancement except those of Admirals Sampson and Schley. It also decided to recommend the revival of the grade of vice admiral and the appointment of two rear admirals to this office, the intention being that the president shall name Sampson and Schley. This course was taken by the committee in order to avoid the renewal of the Sampson-Schley controversy in connection with the nomination, but there was some indication in the committee meeting that this controversy might be raised over the question of precedence in naming the two vice admirals proposed, some senators desiring to specify that Admiral Schley should be first named. The same contention arose over the resolution of ranks suggested by the president and the measure was not acted upon.

Considered Cuba and China.
Washington, Feb. 19.—A considerable portion of the cabinet meeting was given up to a discussion of matters relating to Cuba, in addition to the situation in China. The statement was made that the president still maintains an extra session of congress will be necessary in case the Cuban constitution does not reach here in time to be acted upon at the present session of congress.

Russia's Views on Sugar Bounty.
Washington, Feb. 19.—Secretary Hay has received a cablegram from

Charlemagne Tower, ambassador to Russia, explaining the views of the Russian press on the sugar bounty question. He says the papers advise caution and conservative action by the Russian government. This cablegram was laid before the cabinet by Secretary Hay and was discussed.

DERAILED A TRAIN.

Boers Bother British Transportation. Keeping Tab on Dewet.
London, Feb. 19.—Lord Kitchener, telegraphing from Pretoria to the war office, under date of Feb. 18, says: "Dewet is reported still moving north and now is west of Hopetown. He will probably double back to the southwest. The troops are prepared for this. A train was derailed between Vereeniging and Johannesburg, but the Boers were driven off before they secured much."

Occupied by Boers.

Britstown, Feb. 19.—It is reported that the Boers have occupied Vossburg, communication with that place having been interrupted. It is asserted that there are 1,000 Boers at Strydenburg and others at Houwater, 20 miles from Britstown.

Northern Campaign Planned.

London, Feb. 19.—A Pretoria correspondent hints that Lord Kitchener is planning a campaign in the northern Transvaal, especially in the neighborhood of Pietersburg and districts not hitherto visited by British troops.

Hanna's Road Wants New Franchise.

Cleveland, Feb. 19.—An ordinance to extend the franchises of the Little Consolidated street railway 25 years was introduced in the city council. It provides for six tickets for 25 cents the first 12 years, and seven tickets for 25 cents the remaining 13; universal transfers when the rival company, the Big Consolidated, agrees thereto; and a percentage of the gross receipts to the city as follows: Eight years, 2 per cent; five years, 3 per cent; five years, 3 per cent, and the remaining years 5 per cent. Use of tracks by suburban lines must also be granted.

Navajoes Nomadic.

Santa Fe, N. M., Feb. 19.—The Navajo Indians are leaving their reservation and wandering all over the northern counties of the territory. They have practically taken possession of a strip of land 50 miles wide and 200 miles long, and are barring out of this strip all stock whose owners do not pay them for water privileges. The tax is generally 19 sheep for every 1,000 head allowed to water.

Gold Mines Sold.

Vancouver, B. C., Feb. 19.—A deal was closed and provisional transfer papers signed for the sale of the famous Britannia group of claims in Howe sound, 30 miles from Vancouver, to Bewick, Moring & Company of London, the price being \$750,000 in cash to be paid in London within three months. A \$200,000 interest in the property is held in San Francisco.

Lost Money on Contracts.

Wilmington, Del., Feb. 19.—The Delaware Construction company of this city has passed into the hands of receivers. The liabilities are about \$75,000, estimated assets \$60,000. The embarrassment was caused by the loss of \$5,000 a month on the building of the big dry dock at Baltimore. The receivers are Alvin R. Morris and A. D. Warner.

Will Give Workingmen a Chance.

Buffalo, Feb. 19.—Report has it that it is decided to open the gates of the Pan-American exposition Sundays. According to the statement, exposition officials will not discuss the subject in any way, but the gates will be open the Sunday after the opening of the exposition.

Killed Father to Save Mother.

Wayne, Ind., Feb. 19.—Bessie Slater, 15, shot and probably fatally injured her father to save her mother from death at his hands. The little girl was taken to the police station, and after an inquiry was released.

Yukon's Governor Resigned.

Seattle, Wash., Feb. 19.—The steamer Farallon brings advices from Skagway stating that William Ogilvie's resignation as governor of the Yukon district is announced.

Two Bodies Recovered.

Cumberland, B. C., Feb. 19.—The relief party began taking out bodies from the mines. The remains of Dan McInnis were found at 9 a. m., together with those of a Jap.

Peasants and Troops Clash.

Sofia, Feb. 19.—During an election riot at Belitsch the peasants fired on the gendarmes and wounded one. Thereupon the gendarmes returned a volley, killing three peasants and wounding five.

PROTEST WAS IGNORED

Fain Appeal to Foreign Ministers to S. p o t i l O. rat ions.

NEW CRISIS IN CHINESE IMBROGLIO

Representatives of Other Powers Blandly Advise Mr. Conger That They Have Nothing to Do With Military Movements.

Washington, Feb. 19.—During the cabinet meeting a cablegram from Minister Conger was submitted referring to the proposed military expedition in China under command of Count Von Waldersee. It disclosed the fact that Minister Conger protested to the ministers against hostile movements of this character, but that his protest failed to receive consideration, the other foreign ministers taking the ground that they had no authority to influence military operations, one way or the other.

The United States will not join in the contemplated movement of the allied armies against China, and an indication of this purpose will be sent to the powers. This determination was reached at the cabinet meeting. It is believed by the president and members of the cabinet that such a movement would be unwise from every point of view and would be in the nature of a demand that China shall do what is probably impossible for her to accomplish.

Eight Days of Grace.

Peking, Feb. 19.—The foreign envoys have given the Chinese authorities eight days in which to issue satisfactory edicts. The eight days, foreign ministers say, can not be considered as an ultimatum, as the notice only refers particularly to the cessation of examinations, and also to the liability of the governors of the provinces where outrages may be committed. Military officials fail to see the difference in a series of ultimatums or a single ultimatum covering the entire demands, and ask if the Chinese do not agree to any points during the number of days given what the ministers intend to do. In the meantime, military preparations continue for the expedition, the intention being to send out six columns of troops, two columns leaving Peking, Tien Tsin and Pao Ting Fu, respectively. Count Von Waldersee believes eight days' rations will be ample, as the lines of communication will be open and fresh supplies will be obtainable. It is reported on some authority that if present negotiations prove successful, warships of some of the powers will seize Chefoo, Canton and other places as soon as the winter is over. All the troops are being put through a severe course of drill, especially the Germans.

French Demand Granted.

Paris, Feb. 19.—A cabinet council was held at Elysee palace. The premier, M. Waldeck-Rousseau, was absent. The minister of foreign affairs, M. Delcasse, announced that the French minister at Peking, M. Pichon, had notified the Chinese government of the early return of the French agents to Mong-Tse and Yun Nan, and demanded that the viceroy of Yun Nan send a high mandarin to receive them and express regrets for past events. The Chinese government, the minister added, had just replied that a first-class mandarin would be sent to give satisfaction.

Allies Go Together.

Shanghai, Feb. 19.—Field Marshal Count Von Waldersee's expedition to Sian Fh will comprise 15,000 men, British, Germans, French and Italians. It is understood that if the expedition starts it will act as a guard of honor to the emperor on his way back to Peking. It is rumored that the allies will simultaneously operate in the Yang Tse Kiang valley.

Powers Persistent.

Peking, Feb. 19.—The foreign envoys have held a conference regarding the Chinese reply concerning the punishment of the guilty persons named by the powers. The reply was considered unsatisfactory, and the powers decided to insist upon a compliance with their original demands.

Court Will Yield.

Paris, Feb. 19.—A dispatch from Peking says Li Hung Chang and Prince Ching have informed the legations that the court agrees to inflict the punishments demanded.

Old Ocean's Orgie.

Queenstown, Feb. 19.—Arriving steamers report having encountered storms on the Atlantic. The British steamer Lord Kelyin from New Or-

leans Jan. 16, via Norfolk Jan. 24, for Hamburg, has put into Queenstown, and reports having had a fearful voyage. She experienced terrific easterly gales 15 days and her coal supply became exhausted and she was forced to burn portion of her cargo. Almost throughout the voyage the weather was the worst experienced.

WANT TO KNOW.

Time John Bull Was Saying What He Will Do About the Treaty.

New York, Feb. 19.—A London dispatch says Ambassador Choate has received instructions from Washington to impress upon the British government the necessity for immediate action upon the Hay-Pauncefote treaty. Mr. Choate will call upon Lord Lansdowne and tell him the United States expects a decision on the treaty before March 4.

Mr. Choate has been informed, unofficially of course, of the disposition of the United States senate to repeal the Clayton-Bulwer treaty and pass the Nicaraguan canal bill if the pending treaty be not accepted; and he will, also unofficially, tell the secretary of state for foreign affairs just what the situation in the senate is. He has received no intimation of any sort from the British government as to what its decision will be, but there is good reason for saying that England is inclined to temporize, feeling that by delay and perhaps by altering suggestions she may obtain some modification of the treaty itself, or some set off against what she considers her concessions.

Will Get an Answer Soon.

London, Feb. 19.—United States Ambassador Choate saw the secretary of state for foreign affairs, the Marquis of Lansdowne, and discussed the Chinese question and the Nicaraguan canal matter. Mr. Choate was informed that both these features would be fully discussed at a cabinet meeting to be held Feb. 22, and Lord Lansdowne hoped to be able to communicate to Mr. Choate something definite immediately after the meeting.

More Arrests at Manila.

Manilla, Feb. 19.—Captain Jones of the Eighth infantry, arrested in the province of Laguna; Florentino Ortana and Miguel Ponce de Leon, agents of Tabacalera company, and William Webb, Pedro Lorenzo and Victoriano Sentana, employed by the Philippine Trading company, on charges similar to those brought against D. M. Carman, an American contractor furnishing Filipinos supplies. M. Brix Holtermann, a Belgian, connected with the Philippine Trading company has been arrested at Manila. M. Edouard Andre, the Belgian consul here, and manager of the Philippine Trading company, has hastily left Manila with his family on his way to Europe.

Sugar Trust's New Rival.

Chicago, Feb. 19.—Chicago capitalists have organized a \$1,000,000 corporation, known as the Central Sugar company, to compete with the huge American trust in the home supply. Contracts have already been closed by the newly organized company for the erection of a beet sugar factory at Shelby, Ind., where 10,000 acres of land have been purchased by the company and switches are being put in by the railroads at the factory site. The factory at first will be able to cut 600 tons of beets and produce 150,000 pounds of sugar daily, employing from 200 to 300 men. The charter was granted in New Jersey recently.

Will Examine Dowle's Bank.

Springfield, Ills., Feb. 19.—A resolution was offered in the house providing for a committee of five members to investigate the Zion City bank of Chicago, conducted by John Alexander Dowle, the alleged faith healer. By unanimous consent the rules were suspended, and the resolution was adopted. The committee is empowered to make a full investigation of the affairs of the Zion City bank and is instructed to make its report to the house, together with recommendations as to the needed legislation, not later than April 1.

Dowle Will Resist.

Chicago, Feb. 19.—When John Alexander Dowle was notified of the resolution of the Illinois legislature to empower a committee to investigate the Bank of Zion he declared that the state legislature will not be allowed to enter the bank or permitted to open its books and will be prevented from getting any information about the bank's workings on the inside. Dowle said that his bank was a private institution, and no one had a right to force his way in.

Mob shot Henry and Isham Fed, colored, accused of burning L. T. Cole's barn near Macon, Miss.

Two colored men held up clerk in W. S. Tussing's jewelry store, Columbus, O., and took \$1,000 in watches.

BLOODY KANSAS AGAIN

Woman Killed by Mob of Men In a Raid on a Saloon.

VICTIM WAS BARTENDER'S WIFE.

Top of Her Head Blown Off by the Discharge of a Shotgun—Mob Retired After the Awful Episode—several Arrests.

Leavenworth, Kan., Feb. 19.—Mrs. Rose Hudson, wife of John Hudson, a saloonkeeper at Milwood, 14 miles north of here, was shot and instantly killed during a raid upon her husband's saloon. Hudson had been warned to close the saloon, but refused. Three men entered the place and called for drinks. When served they rapped on the counter and gave a signal. Hudson jumped from behind the bar and grabbed one of the men. In the scuffle a shotgun which a man carried was discharged, the contents entering the wall. Mrs. Hudson, attracted by the noise, ran screaming into the room, while a mob of 20 men, most of whom wore masks, entered in answer to the signal. In the melee that followed Mrs. Hudson was shot in the head with a shotgun, the top of her head being blown off. William Webb, one of the raiders, was shot in the shoulder by a revolver. Nearly 100 shots were fired. Hudson carried his dying wife into an adjoining room and the mob retired without wrecking the saloon. Sheriff Everhardt, who went to Milwood, has secured four prisoners, two of whom are John and Henry Wilson, young farmers. Others implicated will be arrested. There were no women in the mob, it being composed of farmers, all in disguise. The town is in a furore of excitement and more trouble is threatened.

The saloon was owned by Mrs. Michael Lochner. She had been warned to close the place by Monday, but refused. Hudson was her bartender. Anticipating the attack, Hudson had gathered about him 10 armed men. They, however, were taken by surprise and stampeded. This fact and the killing of Mrs. Hudson probably prevented a bloody riot.

Wielded a Hammer.

Port Huron, Mich., Feb. 19.—With a hammer, instead of the usual hatchet, Mrs. Charles Rhodes entered James Wilson's saloon and broke all the glass showcases and about 10 bottles of whisky. The bartender then put her out. Mrs. Rhodes stated she had served notice on the saloonkeeper not to sell liquor to her son.

Latest Move at Wichita.

Wichita, Kan., Feb. 19.—At a meeting of the ministerial association here it was resolved to call a mass meeting Saturday afternoon for the purpose of insisting on the closing of the saloons in Wichita.

Prize Fight Tickets Redeemed.

Cincinnati, Feb. 19.—This was the day set for redeeming tickets sold for the Jeffries-Ruhlin contest. There was no rush of applicants, while many local purchasers returned their tickets as contributions toward reducing the debt of the Saengerfest association. A formal motion has been filed for a new trial of the injunction case, which Judge Hollister will overrule, and the matter will then be in form to go to the higher courts, if it is deemed worth while to further try the law points involved.

Will Extend Its Lines.

Cleveland, Feb. 19.—The annual meeting of the Northern Ohio Traction company was held at Akron. E. W. Moore was elected president to succeed Henry Everett. The past year has been prosperous for the company. The capital stock will be increased from \$2,000,000 to \$2,500,000. The construction of electric lines to Canton and Ravenna was decided upon. The gross earnings for the past year were \$425,890.

Addicks Gained Four.

Dover, Del., Feb. 19.—There was a break in the ranks of the regular Republicans in the ballot for United States senator. Four "regulars," who have steadfastly opposed the election of J. Edward Addicks, Senators McFarlan and Grove and Representatives Baynard and Dayett, voted for him for the short term.

Musokee, I. T., Feb. 19.—M. L. Flynn, a druggist of this place, was sentenced by Federal Judge Thomas to five years' imprisonment in the penitentiary for selling intoxicating liquors. Flynn was indicted last year for a similar crime and pleaded guilty, but was released by Judge Thomas on his promise to quit selling liquor.

CAPTAIN OBERLIN M. CARTER doesn't seem at all willing to let well enough alone in his case, but is constantly appealing to a higher court.

The illustrated edition of the Owen News, recently gotten out, was one of the handsomest that has reached the BULLETIN. Owen and "Sweet Owen" are all right.

THE MARION (O) Mirror sarcastically remarks:

We take it as a matter of course that the President will do his "plain duty," somewhere in relation to the Cubans, just as he did with the Porto Ricans, and that he will require Congress to swallow itself also, and establish a sovereignty or something of the kind over Cuba. Every act of this kind adds new luster to our fame and new laurels to our brow.

EXPECTATIONS NOT REALIZED.

A report from Gen. MacArthur, commanding the American forces in the Philippines, transmitted to the U. S. Senate, embodies an absolute acknowledgment of failure. It begins, says an exchange, with the statement that "expectations based on result of election have not been realized," which is probably no surprise to him or to the administration. The idea that the Filipinos would lay down their arms immediately upon McKinley's re-election could not have been seriously entertained by any person with a knowledge of the situation, but the Republicans worked that racket all through the campaign. It was an idea intended for campaign use only.

Gen. MacArthur goes on to say that while the prospects of pacification are apparent to him, it is "still very slow." In fact, he adds, the "condition is very inflexible and likely to become chronic." In other words, these three years of incessant and costly war have produced no results. The resistance of the Filipinos is still "inflexible," and likely to become—it would be more frank to say it has become—"chronic."

General MacArthur reports that he has "therefore initiated a more rigid policy," just as Weyler and the other Spanish commanders used to do in Cuba when they were confronting an inflexible condition there. This policy includes the deportation of prominent natives, and also—as reported recently—the suppression of newspapers at Manila, and he calls earnestly for more troops to "strengthen his administration."

The cold snap last night was very trying on the wheat. The temperature dropped to 12°.

The Young Men's Christian Association of Kentucky will hold their twentieth annual State convention in Louisville February 21 to 24. The sessions will be held in the Warren Memorial Church, corner of Fourth avenue and Broadway, opposite the association building, the first opening Thursday afternoon at 2:30 o'clock.

In the State School of Reform near Lexington there are at present 103 negro boys and ninety-eight white boys; twenty-four white girls and eighteen negro girls. The total number is 243 and Lexington has contributed sixty-one of that number. The boys are working in the broom factory, while the girls are taught sewing, cooking, etc. There is no sickness, and Trustee Walton thinks this institution and its management reflects credit on our great State.

COWBOYS WON.

The Basket Ball Game Last Night at the Y. M. C. A. Resulted in a Close Score.

The basket ball game last night between the Heavy Weights and Cowboys was a closely contested and well-fought battle, resulting in a victory for the Cowboys, but one that was well earned. At close of first half the score stood 8 to 12 in favor of the Cowboys. The second half was even closer and showed a score of 15 to 16 in favor of the Cowboys.

There was not enough team work—too much bunching of the men, and the Cowboys made too many fouls. The line-up was as follows:

Heavyweights—Capt. Austin Rosenham, goal; Herman Pickrell, goal; Bruce Crawford, center; Chas. Roberts, guard; Conrad Ross, guard.
 Cowboys—Capt. Conrad Traxel, guard; Chas. Clinger, guard; Dewese Outten, center; Chas. Helmer, goal; Leon Squires, goal.

Game Thursday night between the Cowboys and Henries at 8:15 o'clock.

No one is too rich or too poor to use Arbuckles' Coffee. The famous brand is blended to suit the taste of the many—not the few. Its price is made to suit the purses of all. It's the finest flavored coffee (in America) of any coffee of its kind in the world. A package of

ARBUCKLES' Famous Roasted COFFEE

will make a larger quantity of coffee than a package of any of its imitations. Therefore, although it costs a cent a pound more, it is really less expensive than other package coffees. Order Arbuckles' Coffee of your grocer and get more coffee goodness, greater actual value, than you can get in any other coffee at anywhere near its price.

Save the Signatures on the wrappers. Each one entitles you to a definite part of some useful article—a list of which will be found in the package, together with full information.

SISTER MARY LIGOURI.

A Former Member of the Visitation Community of This City Dies at Rock Island, Illinois.

Many of the old residents of this city will learn with regret of the death of Sister Mary Ligouri, a member of the Visitation Community of Rock Island, formerly of this city.

On Sunday, the 10th inst., at 10.30 p. m., this venerated Sister passed peacefully away, after a brief illness. The attending physician pronounced her disease peritonitis, and gave but little hope of her recovery, owing to the advanced age of the sufferer.

While the body lay in the convent chapel the religious and clergy of Rock Island and Moline came to pay their respects to the bereaved community. The remains were covered with choice hot-house flowers, the offering of friends, while at the head of the bier stood an exquisite floral design, the gift of Rev. Wilfred Lauriant, Chaplain to the Sisters. The pastor, Rev. John F. Lockney, insisted upon the privilege of providing the last resting place in Calvary Cemetery.

On Tuesday the simple obsequies took place in the convent chapel, Rev. J. F. Lockney officiating. After mass, Rev. Father Canon, of Farmers' City, Ill., delivered a touching tribute to the virtues of the deceased, alluding to her tender love for the poor and suffering of Maysville, and her long years of ministering to wants and sorrows.

Besides the officiating priests, members of the clergy from Moline and Rock Island were present in the sanctuary and followed the remains to Calvary Cemetery.

His Parents Objected.
